44' BAVARIA

Sportiness is a great benefit with the BAVARIA 44 - another is the relaxation factor. On board you have everything you need for a wonderful, sunny day of R&R. The bathing platform is gigantic and can be lowered to get your jet ski or dinghy on the water with ease. And for those who prefer to soak up the sun there is a large sun deck on the bow. From bow to stern, there is enough space everywhere to relax to your heart's content. To make sure that fantastic days end in fantastic nights, our designers have taken care of the right atmosphere below deck. The light, high-quality materials they used are a deciding factor, as are the fabrics, the precious woods and the direct and indirect lighting, which can be dimmed to match the mood. A good night's sleep depends on the environment - on spaciousness, comfort and luxury.
